<p><b>Community Information:</b></p>	<p><b>Local Government Restructure, Reform and Devolution Update</b></p> <p>The interim plan for Unitary councils has to be sent back to Government by <b>21<sup>st</sup> March 2025</b>. Unfortunately although requested to do so, Suffolk County Council have not consulted yet with District and Borough Councils but have announced in the press they feel one Unitary for Suffolk is best. As I understand it, other councils are taking a more considered approach and gathering evidence on the number of unitary councils that would be needed under a Norfolk &amp; Suffolk Mayor eg: we already have lots of problems with getting things fixed on the roads and that’s a whole of Suffolk, Suffolk Highways issue, which seems to be clearly unmanageable for one council to do well. So I am hoping Suffolk County Council will listen to the other councils in their area before 21<sup>st</sup> March and then also consult with the public before 26<sup>th</sup> Sept.</p> <p>A full proposal will then be agreed and sent to Government by <b>26<sup>th</sup> September 2025</b>. <b>Mid Suffolk have agreed their £80m pound budget and capital ambition for the short years ahead.</b> Lots of initiatives will be coming out and ongoing to ensure residents of Mid Suffolk see long term improvements to Sports, Business (especially our Food and Drink, Farm to Fork sector) and Community facilities, like local community buildings, service centres, Local Walking and Cycling along with Green resilient spaces which help with flooding and draught. For a quick overview see page 70 &amp; 71 of the agenda pack, or get a nice cuppa and read the whole thing from p23 to p102.</p> <p><b>A Slipper Swap</b> – Organised by the NHS, this is taking place at Debenham Sports and Leisure Community Centre between <b>1:30pm-4:30pm on 18<sup>th</sup> March</b> for anyone 65 and over. Bring in your old slippers for a brand new pair plus new ferrules for any walking sticks. Other services will also be available such as social prescribing, energy advice and a community therapy team - all for free. Posters are up in our parishes.</p> <p><b>Suffolk Chamber</b> have organised a <b>free</b> seminar ‘Mobile Technology in Suffolk – Future and Current’ at Stoke by Nayland Resort on <b>18<sup>th</sup> March 9am-12noon</b> which is open to members and non members.
